

THERE'S A GAME FOR THAT

TOY SWITCH

HELPS WITH...

- ✓ Relationship
- ✓ Fitness
- ✓ Obedience

You will need

DOG

+

TWO TOYS

+

YOU

1

Engage in a game of tug...

2

Then, animate this toy

After a short few moments hold the first toy still & bring a second toy out and animate the second toy

3

Your dog should switch to the toy that's 'alive'... (It might take a few moments)

4

Animate the second toy after a short play, hold that toy still and animate the other toy...

BRING ALIVE!

5

Allow your dog to play for a few moments with the animated toy & switch again... play this until they happily switch between toys.

HELPS BOOST...

- ✓ Confidence
- ✓ Focus
- ✓ Thinking in arousal
- ✓ Self control
